The Puerto Rican Chamber of Commerce of Central Florida is very proud of the accomplishments and contributions of professionals and business owners in different industries that are leaders in the community. They believe their contributions help improve the quality of life for all of us in Central Florida. These citizens who make a positive impact in our way of life should be recognized and celebrated.

The fourth edition of Premios El Josco honors distinguished professionals and business owners in nine categories that represent diverse industries that make up the fabric of the business community. As illustrated in Puerto Rican author Abelardo Díaz Alfaro’s story entitled El Josco, a Puerto Rican ox (the main character) represents the people who stand up to challenges and adversity, succeeding in the end; a person who perseveres and fights for what he or she believes in.
